

CHI LOUNGE

Chi is an energy or life force that flows through everything: people, animals, trees, the earth and inanimate objects. Some people use Feng Shui to channel the flow of Chi around their homes and places of work. Some also use ancient exercises such as Chi Kung and martial arts like Tai Chi to channel the flow of Chi in a beneficial manner around their bodies, through their bodies and into the earth and sky. Here at CHI Restaurant and Lounge, we have used Feng Shui to make your dining experience full of energy.
